The Academy of Rehabilitative Audiology (ARA) each summer holds an Institute for members of the Academy and others interested in rehabilitative/ rehabilitative audiology. The major theme for each Institute is determined by the Executive Committee. An attempt is made to address issues that are presently before the profession of audiology. The major theme for the 1985 ARA Summer Institute was: Application of Computer Technology to Rehabilitative Audiology. This Institute was held at Watts Bar Dam, Tennessee, June 6-9, 1984. Information about the 1985 AKA Summer Institute is provided below.
