The Academy of Rehabilitative Audiology (ARA) each summer holds an Institute for members of the Academy and others interested in habilitative/rehabilitative audiology. The major theme for each Institute is determined by the Executive Committee. An attempt is made to address issues that are presently before the profession of audiology. The major theme for the 1987 ARA Summer Institute was: *Ends of the Spectrum — Rehabilitative Audiology with Pediatric and Geriatric Clients*. This Institute was held at the Mt. Summit Inn, Uniontown, PA, June 10-13, 1987. Information about the 1988 ARA Summer Institute is provided below.
